

# COBBLE CREEK CLUBHOUSE NEWSLETTER

**February 2021**

## IN THIS ISSUE

---

### January Highlights

Quiet months are good for the business and the staff to play catch up. January was very quiet and very productive.

### February Club Events

We are easing our way into events and are still encouraging safe social practices. We will be having Wine & Cheese in a To-Go setting only. See flyer below

### Staff Articles

Staff articles give Clubhouse Members a good idea of the happenings in each department.

## *Looking forward to 2021 events*

Things are very quiet here right now and we are taking full advantage of that. Our staff is hard at work perfecting the new software system as well as planning for a fun and safe 2021. We are planning events that we hope we will be able to have. please be aware that all events and plans we are making or begin advertising for in the next few months are completely dependent on regulations and changes in COVID-19. We encourage all suggestions for member events and we look forward to seeing all of you soon!

# From The Board of Directors

After a very smooth election, the Board is excited to welcome our newest members and officers, Christine Collin, President; John Szyfer, Vice President; and Betsy Willy, Secretary. Lisa Hylton will remain in the Treasurer role and Randy Griffin is director-at-large.

We thank the former members, Ned Frazier, Tracy Dickinson and John Fox for all the time and effort for the Club. The 2020 Board provided the foundation for the Club to move forward and progress with solid financials and operations.

The new Board has many items on the agenda. Recruit and hire a GM, develop a budget, monitor and maintain the finances of the club, continue the capital projects and add new ones, just to name a few. There will be lots of planning and getting to know one another as well.

We are extremely pleased with the progress of the cart paths. Hole 1 is looking great and we are excited to see the finished product including a sign later this year. This project will improve the visual impact of the golf course to our community and visitors.

The Clubhouse staff has done a great job of implementing our new software, Fore Up. We are excited to utilize the marketing and accounting software integration features of this new software. We ran into a few hiccups, which is typical when implementing new software. We believe these are behind us; however, if you see any discrepancies on your account, please contact Madison Freismuth, Clubhouse Manager.

Covid precautions are still with us. Please remember to social-distance, and wear a mask. In addition, we need to keep the total number of people at one time in the Tavern around 8. People can go upstairs as well and we can have 16 people there. We appreciate everyone's cooperation.

The Board looks forward to a productive year. If you have any concerns or suggestions, please send these to [theclub@cobblecreek.com](mailto:theclub@cobblecreek.com). Our next Zoom meeting is scheduled for March 4th at 6 PM. Due to the limited time the new board had for discussions, we are skipping the February meeting. Any communication needed from us will be via email.

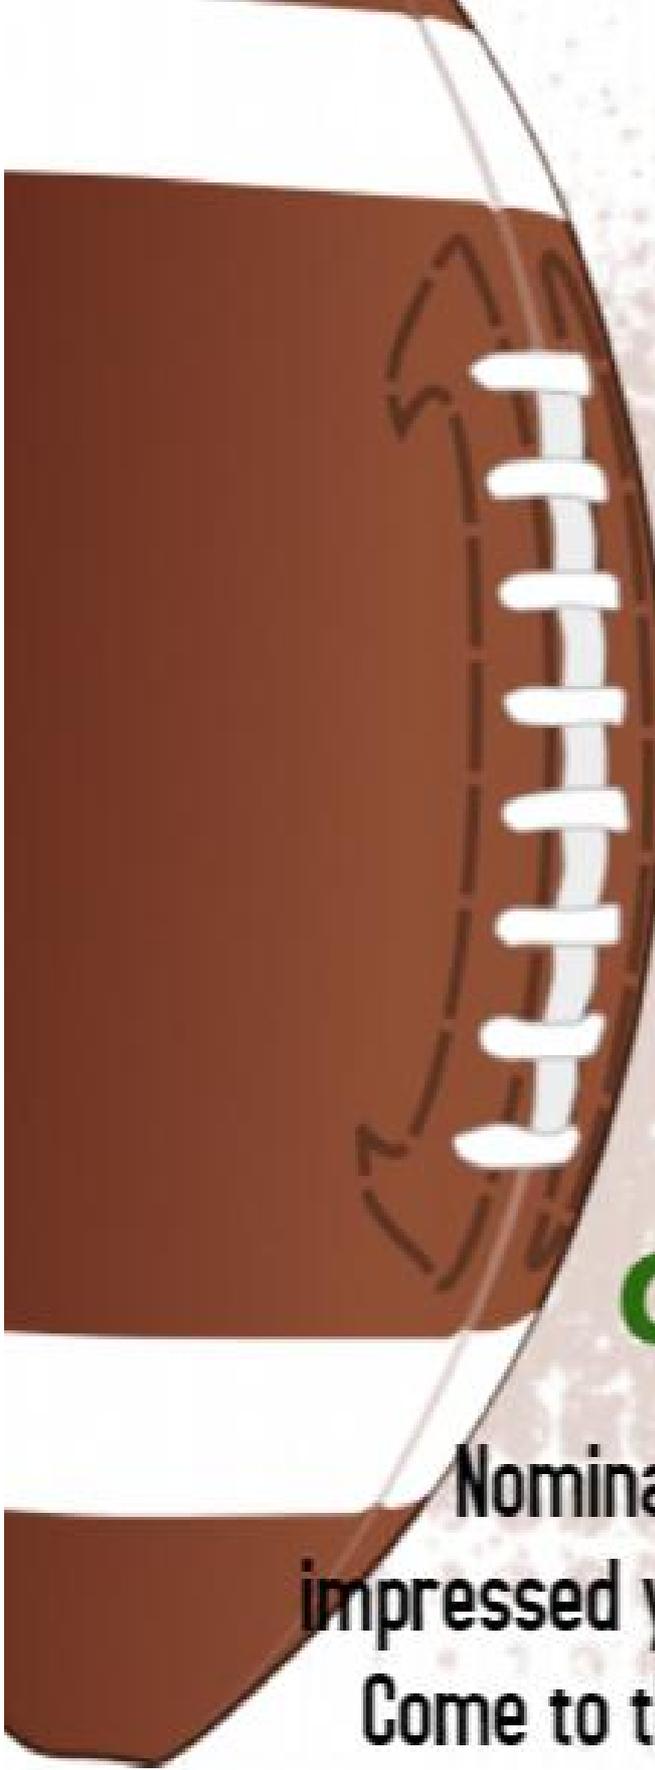

Board of Directors

# CARPET CLEANING

The Clubhouse and Fitness  
Center will be **CLOSED**  
Monday, February 8th  
for carpet cleaning!

Both will reopen on Tuesday,  
February 9th. Thank you!

Do you know a  
Cobble Creek  
resident who  
could win the

# SUPER BOWL of KINDNESS?

Nominate a member who has  
impressed you with an act of kindness!

Come to the clubhouse lobby and fill  
out a form. We will draw two names  
on the Friday before Super Bowl to win  
a Football Prize Package!

\*Package will be delivered February 5th

# From The Staff

## From The Clubhouse

Happy month of love! We are still getting some snow and there are still some days that I do not see anyone, but I am taking full advantage of this and together with Misha and Deb, we are planning some great events in 2021 for our Members. As long as things continue in a positive way, I have no doubt we will all be able to gather safely throughout the year but we are putting a general event clause that nothing is promised and every event is a big giant "hopefully".

We are also still trying to do some socially distanced fun things like To-Go wine and cheese which will be very valentine themed and delicious, as well as a Super Bowl neighbor nomination in the lobby. If someone has performed an act of kindness and you want to recognize them, enter their name into the basket in the lobby to win a Super Bowl prize basket!

I have some "honey-do" items that I need to get taken care of in the next few months so you may see some building closures and these are to accommodate those items. I am getting the carpets cleaned, the windows cleaned, and the Spa and Fitness Center will be deep cleaned during these days as well. Thank you for understanding and please watch your email for information on these closures!

*-Madison Freismuth, Clubhouse Manager-*

# February Club Events

## Monthly Events Happening in February

**Pickleball-** Tuesday, Thursday, & Sunday @ 1pm  
(Weather Dependent)

**Book Club-** Wednesday February 17th via Zoom

A vertical poster for a February Wine & Cheese event. The background is a light pink color with a pattern of darker pink hearts of various sizes. The text is centered and reads: 'FEBRUARY WINE & CHEESE' in large, bold, dark red letters. Below this, in a smaller dark red font, it says 'featuring Iron Side wines from California'. A horizontal line separates this from the date and time: 'February 11th from 5-7pm' in a bold, italicized dark red font. In the center of the poster is a large, solid dark red silhouette of a wine glass. At the bottom, another horizontal line is followed by the text '\*Clubhouse Members Only\*' in a bold, italicized dark red font.

# From The Staff

## From The Course

Mental Hibernation is underway. See you in March!

*-Paul Heide, Golf Course Superintendent-*

# From The Staff

## From The Pro

SNOW! I am happy that the course is getting plenty of moisture and rest, but I am ready to get the season going and start swinging the sticks again.

As most of you have seen the shop is pretty bare right now, but rest assured it will start filling up again shortly. Starting at the end of February, we will start getting our spring orders in and filling the shop back up. We have several MORE new lines of clothing coming in, and I can't wait to get it out for you all to see.

Those of you that signed up for handicaps through The Club will be active until March 9th. Although you are active, if you are in Colorado, you can't post your handicap until March 15. Those of you out of state may post as normal. I highly suggest everyone get the new GHIN app on your smartphone. You can download it from the app store on your phone, search GHIN and it will show up. If you need any help with the new software or just have questions come to the Pro Shop. I'd be happy to help you download the software or walk you through the new system.

Thank you all for your support, I am excited and looking forward to this new year!

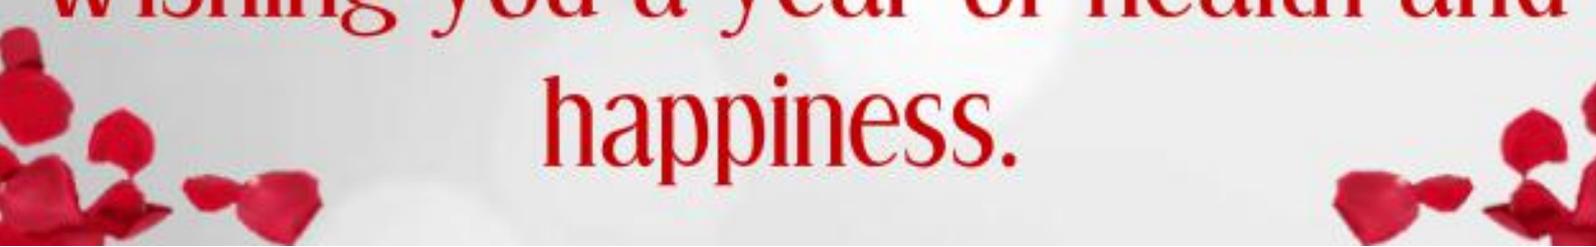

*-Gerard Lanser, Golf Professional-*
