## *The Future at Cobble Creek*

by Michelle Robbins | Event Coordinator

Happy New Year!

And what a long, strange year it's been. In our last quarter we were able to join family and friends in what seems like the longest 12 months of our lives. Only to finish the lowest of lows, with ultimate highs, celebrating holiday parties and traditional festivities.

Cobble Creek has also welcomed new faces, with grand ideas to make our future years even better. We want to thank everyone for humbly welcoming our new staff members into your family and our great community we call home, at Cobble Creek.

## *Annual Board Election*

The Board Election will be held tonight via zoom at 6:00PM. Please check your Mailchimp accounts for the link and passcode to log in.

The link will also be posted below.

Should you have questions, please contact Michelle Robbins or Lisa Hylton for details.

## *Board Election and Agenda*

Financial Report: Eddie Anderson  
Real Estate Report: Randy Griffin

Q&A: This has been scheduled for 15 min. If all questions have not been answered, please email your question to the Club, and we will respond within 24 hrs.

It's that time again. Annual billing went out on Saturday, January 1st. We have made a change for 2022 with our new point of sale system. Each month you will receive your monthly statement on the 1st of the month. You will have the option to pay your bill in person by the 3rd. Then, on the 4th of each month, those with credit cards on file will be charged by autopay for any unpaid statements.

If you have questions about your bill, Anna Walworth will also be assisting me in working with member billing questions and changes. She will be typically available Thursday through Saturday from 9:00-4:00.

Thank you for all of your support of Cobble Creek and I look forward to seeing everyone again this year!

# Ho Ho Ho

by Paul Heide | Superintendent

January, 2022. Wow. Seems like just yesterday that I was preparing for a Y2K meltdown. I think that I still have a few cans of soup and some ramen noodles leftover.

As we embark on a new calendar year, societal tradition reminds us that we are obligated to reflect on the previous year, identify our weakness, and then make a feeble attempt to correct this weakness.

The dreaded 'New Years Resolution!' Thanks to the ancient Babylonians, who started this 4000 years ago, we are now guilted into this annual showdown between ones desire and will. Painful!

I didn't have anyone in particular in mind with that comment(RH).

Statistically, desire wins 97 percent of the time. If my horse's name is "Will", I'm not betting on him at the track! However, for the Babylonians, their resolution was made to honor and respect their Gods.

Our resolution is a much more secular, self-fulfilling one. I guess I would rather feel a degree of disappointment for not losing those 10 pounds than to upset the Gods that bring rain to our crops.

Well, with all of this being said, my resolution will be the same as the last 35, to treat every single day of the year as if it were my last and have no regrets.

Mother Nature was kind enough to start the year off with a delightful blanket of snow. AWESOME! The golf course definitely needed a break, from golfers at least.

With all of this snow, it's a great opportunity to dust off those snowshoes or cross-country skis and get out and enjoy it.

The golf course is a very convenient winter playground for the residents. All that I ask is that you respect the property and stay off of the greens (identifiable by the flagstick).

If there are any questions about what is acceptable and what is not acceptable, you can always call the pro shop or the clubhouse and they will be able to answer any questions. For some of you golfers, this may be the only time that you traverse the golf course without losing a ball!

On a final note, always remember to stay off of the ice that has formed on our ponds. You will never know if it is thick enough to walk across until it is too late. If you have children, please discuss this with them as well.

In 2022, Keep it 100.

## Course Gears up for Winter

by Kala Rusk | PGA Golf Pro

Happy Holidays everyone, we are currently doing a 20% off sale (not on top of your member discount) in the Pro Shop for the holidays. This will go on until Christmas Eve so make sure you get in your Christmas shopping before then. The special-order window has ended so if you did not get your special order in by Thanksgiving to use your pro shop credit, I will not be able to save credit book money this year for late ordering. We have some new

winter gear in the pro shop for you to shop and I should be having a few more items coming before the years end. As we head into December, we must take care of our golf course. Our winter schedule will go into effect Monday December 6th. We will be closed on Mondays and walking only on Wednesday and Thursday. I hope everyone has a wonderful winter and thank you for your support this year.

## *The New Year Brings New Creativity*

by Eddie Anderson | General Manager

So, when we were looking at moving to Montrose, I was told it only snowed about five to nine inches. They didn't say it was every other week for five months. But, it's here and it is definitely pretty to look out at from the warmth of the clubhouse banquet room. It's glowing white like a clean sheet to start off a new year with new things on the agenda.

We have a very busy year ahead. We have a great team in place with some new faces eager to get busy making Cobble Creek a beehive of activity. Taco Tuesday and Taco Trivia has been going very well, and we will be adding new twists this year with team games and more. We have filled the Tavern to capacity and make well over 100 tacos weekly on Tuesday nights. Jennifer and Alma have turned the Tavern into a regular taco factory each Tuesday. All of them in the Tavern really deserve a lot of credit for what they pull off each week. It is great to see the turnout and the members getting together each week.

The same goes for Happy Hour on Fridays. Multiple food items have been introduced this fall. The most popular entree, prime rib, went over very well. We also got rave reviews on shrimp items, hanger steaks with asparagus and garlic mashed potatoes, and the bacon wrapped meatloaf. If you missed them, they will come back around.

We hope to add a poker tournament, chili cookoff, movie nights, game nights, more live music, a Valentine's Day event, a members' breakfast and more. And that's all before Spring.

Plus, get your bayou boogie and beads ready because we are going to put on the dog for Mardi Gras with King Cakes, Cajun cuisine, a Krewe of Cobble Ball and Mardi Gras golf cart parade. As they say, "You can live in any city in America, but New Orleans is the only city that lives in you".

Then golf season will be right around the corner. We know that 2022 will mark the year that Cobble Creek turns the corner. Hopefully Covid will be in the rear-view mirror and all of our old and new neighbors will finally be able to get out and about. We are going to do great things, so come be a part of it all!
